

EVERBUILD MAMMOTH PTFE WATER TAPE

Colour	Product Code	Pack Size	Box Qty
White	2PTFEWATER	12mm x 12Mtr	250

Product Description

EVERBUILD Mammoth PTFE water tape is a non-adhesive tape for use with threaded fittings and compression joints on all types of water pipes, compressed air cooling and hydraulic systems.

Benefits

- WRAS and EN751-3 approved.
- Complies with BS7786 1995 Grade L.

Limitations

- Do not use on pipes, which contain liquid oxygen or flourine.
- Do not use on pressure greater than 30 bar
- It is the users responsibility to determine suitability for use. If in doubt contact technical services for advice.

Application

Remove any dirt, grease or metal shavings from threads. Apply the PTFE tape on the joint following the inclination of the thread overlapping by $\frac{1}{2}$ to $\frac{3}{4}$ tape width (depending on thickness required). Apply tape with an even firm tension to ensure tight fitting around the thread.

Specific Data

Type Of Film	PTFE (Polytetraflouroethylene)
Thickness	0.075mm
Service Temperature	-200 to +260°C
Pressure Resistance	Max 30 bar

Health & Safety

Consult MSDS for full list of hazards.

Storage

Store in cool dry conditions between 5 and 25⁰C. Safe in normal use however as a precaution keep polythene outer packaging away from children.

Shelf Life

Indefinite shelf life when stored as advised.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired. Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product. Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions.
