

SUGAR SOAP LIQUID

Colour	Product Code	Pack Size	Box Qty
-	SOAPLIQ	500ml	12
-	SOAPLIQ1	1ltr	12
-	SOAPLIQSP	500ml	12

Product Description

EVERBUILD Sugar Soap Liquid is a concentrated solution, which when diluted with water, effectively removes grease, grime and nicotine stains from painted surfaces to improve adhesion and give a better final finish.

Benefits

- Powerful concentrated formula.
- Works on most types of painted surfaces.
- Can be used as a general household surface cleaner.

Limitations

- Always mix with clean fresh water.
- Use only as directed
- Protect polished surfaces, carpets and upholstery prior to use. To avoid staining mop up spills immediately
- It is users responsibility to determine suitability for use. If in doubt please contact technical services for advice.

Application

For preparation prior to painting – make up sugar soap solution by adding 1/3 of a bottle of sugar soap liquid to 1 gallon (4.5 litres) of hot water and stir well before use. Wipe generously over painted surfaces with a cloth or sponges, working from bottom to avoid run marks. Rinse thoroughly and allow to dry.

For general household cleaning – add 1 fl/oz of sugar soap liquid to 1 gallon (4.5ltrs) of water, wipe over surfaces with a cloth or sponge and rinse thoroughly and allow to dry. For ceramic tiles, vinyl floors and paintwork, repeat as above but rinsing not required.

Health & Safety

Consult MSDS for full list of hazards.

Storage

Store in cool dry conditions away from direct sunlight between 5 and 20°C. Store in original containers and keep out of reach of children. Dispose of product and packaging correctly.

Shelf Life

Indefinite in original unopened containers.
